

BreezyBlock™ Press Release

September 1, 2019

BreezyBlock by ModFab

PALM SPRINGS, Sept 1, 2019 - ModFab, located in Palm Springs, CA is the company known for producing unique mid-century modern inspired furniture, lighting, and artwork. ModFab has just announced the release of BreezyBlocks, a new line of architectural concrete blocks for creating the most iconic structures, walls, carports, breezeways and decorative dividers.

BreezyBlock was conceived out of frustration in finding alternatives to the standard off-the-shelf concrete blocks. Our line of historically inspired midcentury blocks offers a unique one-of-a-kind esthetic that fills a void in modern homes and landscaping architecture. BreezyBlock currently come in 8 original designs that compliment any modern space or landscape

Modfab has collaborated with ARTO Brick as their manufacturing partner because of their long history of producing elegantly handmade concrete and ceramic products locally in Los Angeles.

BreezyBlock Details:

8 different designs (currently)

Block dimensions are 12" x 12" x 4" thick

Manufactured from concrete and available in many custom colors
